> EXTRACURRICULAR ACTIVITIES

Project: FinConnect — Security Owner (Authentication, Privacy & Moderation) · Nova Southeastern University — Davie, FL 11/2025 to Current

Project FinConnect is a new student connection platform that can enhance the student experience by providing a safe, convenient, and engaging platform where NSU students can connect, collaborate, and thrive together. Built by students, for students, FinConnect embodies the spirit of our shark community. This is done by letting students engage in discussions, find great deals on campus essentials, or coordinate rides with fellow sharks. My role as Security Owner is to:

- Oversee authentication mechanisms, access control, and identity management.
- Ensure data privacy, ethical use, and compliance with security best practices.
- Moderate platforms, review risks, and respond to security-related concerns.
